Central Piedmont Community College (CPCC), Charlotte NC   Aug 2019 - June 2021
Associates in Arts   GPA: 4.0
Related Courses: JAVA Programming (Java)

SKILLS

Languages: C#, Java, HTML, CSS, Javascript, C++, SQL
Tools: Visual Studio, Unity, Github, Maya, VS Code, GIMP, Excel, Trello
Frameworks/Libraries: MonoGame, PixiJS

PROJECTS

Earth Keeper - Academic Project turned Personal   Dec 2022 - Present
  ➢ Creating an Asteroids-style shooter game in Unity, with a playable WebGL build available.
  ➢ All pixel art and sound assets are custom made, with more features in production.

A Fine Match - Academic Project   Nov - Dec 2022
  ➢ Developed a fully responsive online card matching battler game using PixiJS.
  ➢ All pixel art and sound assets were custom made.

The Fountain of Objects - Personal Project   May - June 2022
  ➢ Reformed a text-based optional assignment from the C# Player's Guide to a 2D game.

Spellblade - Academic Project   Feb - May 2022
  ➢ Created a side-scrolling platformer as part of a team of 4 in MonoGame using Agile practices.
  ➢ Developed the level renderer and the file system, then worked on animations in the final sprint.
  ➢ Coordinated the planning meetings for the team, where we decided on task priorities.

WORK EXPERIENCE

AFC Custom Granite   June 2022 - Aug 2022
Receptionist   Charlotte, NC
  ➢ Provided exceptional customer service, especially when introducing our fabrication process.
  ➢ Scheduled appointments for measurements and installations, which kept our days organized.
  ➢ Maintained a clean and organized office environment despite the pervasive granite dust.
